SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom nationality. In this connection the following dis[illegible]

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and bonded), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass-molder, steel-plate, iron-molder, wood-turner, etc., and not simply as engineer, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in but six races; sub-of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Ireland" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po in 8 compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether in possession of $ 50 and if less, how much). — The entry in column 14 should give in each case individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join relative a relative or friend; and if so, what relative or friend, with name and complete address.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500-A, and 500-B), so far as it relates to alien arrivals (including those in transit and remain), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). — The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). — The entry in column 5 should be either M (male or F (female).

Column 6 (Married or single). — The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write). — Column 8 is subdivided and the entries therein should be either Yes -No (can read and write), No -No (can neither read nor write), or Yes -No (can read but not write).

Column 9 (Nationality). — Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people). — The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northor South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass molder, steel polisher, iron molder, wood turner, etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), Nos—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13. By whom was passage paid. — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 894-97, Philadelphia.

Column 16. (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by an inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No. No can neither read nor write, or Yes. No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Rhaeto language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 By whom was passage paid. — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1903, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and foreigners), should be made in accordance with the following considerations. The number of the column on the manifest as given in these special instructions and is followed, in parentheses, in all cases up to and including column 18, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.; and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*). — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No—No (can neither read nor write, or Yes—No (can read but not write).

Column 8 (*Nationality*). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (*Race or people*). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come from the kingdom of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last residence*). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (*Final destination*). — The entry in column 11 should show definitely the place city or town of final destination.

Column 12 (*Whether having a ticket to such final destination*). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom was passage paid*). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (*Whether in possession of $ 50, and if less, how much*). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether ever before in the United States, and if so, when and where*). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (*Going to join relative or friend, and if so, what relative or friend*). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subjects to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes . No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"Afrikan (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative, friend; a township company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND [illegible] CIRCULAR No. [illegible]

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes)

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South American descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po [i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should also definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1903, Philadelphia.

Column 16 (Going to join relatives or friend, and if so, what and if friend or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 19. — The answers in these columns are subject to revision by any inspector

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venezia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the yes (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with complete address.

Columns 17 to 52. — The answers [illegible] are subject to revision by any inspection officer in the examination [illegible]

I believe that no one of said aliens is an idiot, or insane person, or a pauper, [illegible]
from a loathsome or a dangerous contagious disease, or is a person who has been [illegible]
involving moral turpitude, or a polygamist, or an anarchist, or under promise [illegible]
the United States, or a prostitute, and that also, according to the best of m[illegible]

EXTRACT FROM DEPARTMENT OF COMM[illegible]

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer [illegible]bor, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

List 1.

NOTE. This slip must be attached to the right side of each manifest of alien passengers, Cat. Nos. 500, 500-A, and 500-B, and the information indicated by the headings given by the masters of vessels.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest to be given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write).—Column 9 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it to aliens arrivals (including those in transit and bonded), should be made in ance with the following specifications. The number of the column on the manifest in these special instructions and is followed, in parentheses, in all cases by a ding column 16, by a descriptive title indicating briefly the subject to which it

umn 3 (Age).—The return of age in column 3 should be expressed in years or , the latter applying only to those under 1 year of age.

umn 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

umn 5 (Married or single).—The entry in column 5 should be either M (married), le), Wd (widowed), or D (divorced).

Distinction should be made between *farmers* and *farm laborers*, regardless of ab- ; of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

nnship companies should make this distinction on the manifests, and corrections be made, if necessary, by inspectors and registry clerks during the personal ation of alien arrivals.

e term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W-d (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket), or No (no ticket).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Emilria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last residence*).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (*Final destination*).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (*Whether having a ticket to such final destination*).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom was passage paid*).—The entry in column 13 should show definitely by whom passage was paid, as *self*, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (*Whether in possession of $50, and if less, how much*).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 16 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 28.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and bonnie), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904–07, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 500, 500-A, and 500-B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any native whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last residence).—The entry in column 11 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information inserted on the manifest [Forms 1500, 1500 A and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given, in those special instructions and is followed, in parentheses, in all cases by the line including column 16 by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern, South, or Central America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the precinct, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1884-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relatives or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), insofar as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write).—Column 9 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when, and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, farmer, laborer, civil engineer, iron molder, wood turner, etc., and not simply as engineer, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm, for the man who operates it.

Steamship companies should make their declarations on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not a country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates clear admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the territory in Italy known as northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B, (see forms)] relative to alien arrivals (including those in transit and in bond), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title in capital letters (as printed on the blank manifest).

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 12 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 13 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 6 (Married or single).—The entry in column 6 should be either M married, S single, W widowed, or D [illegible].

Column 7 (Occupation).—The entry in column 7 should describe as accurately as possible the occupation of each person [illegible] each alien arrived, as for example, [illegible] engineer, [illegible], carpenter, [illegible] engineer, farming, engineer, [illegible] professor, [illegible] [illegible] laborer, [illegible] or [illegible] [illegible] supply as neither [illegible] laborer, tailor, or other [illegible] the [illegible].

A distinction should be made between *skilled* and *farm laborers*, regardless of the amounts of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for [illegible] man who operates it.

Steamship companies should make [illegible] caution on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of [illegible] arrivals.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes [illegible] read and write; No—No [illegible] neither read nor write; or Yes—No [illegible] can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy [illegible], compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, south."

Column 13 (Last residence).—The entry in column 13 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of final destination.

Column 15 (Whether having a ticket to such final destination).—The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid).—The entry in column 16 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The entry in column 17 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States; and if so, when and where).—The entries in column 18 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 19 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 19 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 12 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The [illegible] of the aliens named in the manifest, [illegible] special instructions and to [illegible] record in [illegible] in column 24, by a [illegible] the [illegible] letter [illegible] Column 1. [illegible] should be expressed in years or months. [illegible] Column 2. Sex [illegible] M (male) or F (female).

Especially conspicuous [illegible] examination of the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arriving.

Columns 1 (*Title to land and money*) to [illegible] and the entries therein should be either Yes or No. Yes can be [illegible] No. No [illegible] Yes. No can [illegible] Yes. No can, [illegible].

Columns 9 (*Nationality*) to [illegible] should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given on list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race ought properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

This term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING CUBAN MANIFESTS.

The information required in the manifests under forms 101A and 101B now numbered 101 and 101½ respectively, and in transfers, arrivals including those in transit and departures, should be made in accordance with the following directions. The numbers of the columns refer to those designated in these special instructions, and is filled, in pencil, those columns not specifically mentioned, including column 20, less descriptive of the information required by the columns of which it is a part.

Column 3.—The entry in column 3 should be expressed in years or months, the latter appearing as fractions under 1 year of age.

Column 4.—The entry in column 4 should be "M" (male) or "F" (female).

Column 5.—The entry in column 5 should be "S" (single), "M" (married), "W" (widowed), or "D" (divorced).

Column 6.—The entry in column 6 should describe as nearly as practicable the occupation of each alien, if any, at last arrival at foreign port. Clerk (no trade), laborer, and farmer are indefinite terms, and should be avoided. Special pains should be taken to secure correct entries for all children of school age, and for all persons returned as without occupation, such as housewives, students, and children under school age.

Column 7.—Under the head of "Can read" and "Can write" a distinction should be made between "can" and "cannot," regardless of the amount of money shown, or lessons.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their entries on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (cannot either read nor write), or Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residency.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspection and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any evidence of appearance indicative of admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that part of the Kingdom of Italy north of the basin of the River Po (the compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (How much in possession of, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The [illegible] required by the [illegible] 1903, and 1906 A and 1906 B, to be [illegible] and Naval [illegible] of France, or [illegible], in sailing from a transit and [illegible] should be made out in accordance with the following classification. The [illegible] to be taken on each of [illegible] to these special instructions, and be followed as [illegible] lowest or [illegible] by 54 and including column 56, 54 a descriptive title [illegible] below [illegible] 54 [illegible].

Column 1 [illegible] the number of the alien on board. It should be expressed in words or [illegible] the letter "F" for female and "M" for male.

Column 2 [illegible] The entry in column 2 should be either M (male) or F (female).

Column 3 [illegible] The entry in column 3 should be either M (married) or S (single). W (widowed) or D (divorced).

Column 4 [illegible] The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Clerk, engineer, farmer, laborer, merchant, mechanic, painter, sailor, servant, tailor, tinner, weaver, or other specific occupation, and not simply as gentleman, lady, student, [illegible] other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the relationship [illegible] shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the most who operates it.

Steamship companies should read the directions on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 5 (*Able to read and write*).—Column 5 is subdivided, and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 6 (*Nationality*).—Column 6 should be construed to mean the country of which an immigrant is a citizen or subject and not country of last permanent residence.

Column 7 (*Race or people*).—The entry in column 7 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, the West Indies, Central or South America, Europe or Africa. Any of these [illegible] appearance, indentured servitude, or negro blood should be classified under this term.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., compartimenti Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austro-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian tongue.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (*Last residence*).—The entry in column 8 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 9 (*Final destination*).—The entry in column 9 should show definitely the place (city or town) of final destination.

Column 10 (*Whether having a ticket to such final destination*).—The entry in column 10 should be either Yes (ticket) or No (no ticket).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B; new numbers, 500, 500 A, and 500 B) concerning aliens arriving, including those in transit and transfer, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket), or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as *self*; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B), so far as it relates to aliens arriving (including those in transit and deportees), should be made in accordance with the following classifications. The number of the column on the manifest to which these special instructions and is following in parentheses in all cases, is located (including column 16, bya descriptive title indicating briefly the subject to which it relates.

Column [illegible] (Age).—The return of age in column 7 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column [illegible] (Sex).—The entry in column 8 should be either M (male) or F (female).

Column 9 (Married or single).—The entry in column 9 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 10 (Calling or occupation).—The entry in column 10 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply mechanic, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 11 (Able to read and write).—Column 11 is subdivided and the entries therein should be either Yes—Yes (can read and write). Yes—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race would properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether own passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place: as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (these numbers 500, 500 A, and 500 B [illegible] as it relates to alien arrivals (including those in transit and steerage), should be made in accordance with the following classifications. The number of the column or [illegible] is inserted in these special instructions and is followed, in parentheses, in full cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should describe as accurately as possible the condition, single or married, of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, turning engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes can read and write; No, No can neither read nor write; or Yes, No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Anywhere whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy [illegible] compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1904-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL RULES AND INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The undersigned, pursuant to the requirements of section 7 of the act of March 3, 1903, and section 1 of the act of February 20, 1907, hereby prescribes the following rules and instructions for the information and guidance of masters, commanding officers, first and second officers, and surgeons of vessels bringing aliens to the United States from foreign ports, in the preparation of the lists or manifests of such aliens required to be delivered to immigration officers at the ports of arrival of such vessels, and for the information of such immigration officers in the performance of their duties in connection with such lists or manifests:

Columns 1 and 2. The entries in these columns should be made as directed in the printed headings.

Column 3. Full name. The entry in column 3 should consist of the surname or family name, the given name or names, and the middle name or initial, if any, of each alien, as for example, Ole Olsen, Mary Ann Murphy, Antonio Dominick Scarpa, Rosa Maria Scarpa, Abraham Isaac Cohen, Moses Isaac Cohen. Titles of honor or dignity, as Count, Baron, Mr., Mrs., Miss, Dr., Rev., or other titles or abbreviations, should be omitted.

Column 4. Age. The entry in column 4 should be written as nearly as possible thus: Under 1 year, 1 year, 2 years, etc. Children born on the voyage should be entered as under 1 year. Ages should be stated in years or months, as the case may be, and not by dates of birth.

Column 5. Sex. The entry in column 5 should be either M (male) or F (female).

Column 6. Married or single. The entry in column 6 should be either M (married) or S (single).

Column 7. Calling or occupation. The entry in column 7 should be made as nearly as possible in accordance with the following classification of each alien arrival, as for example: Civil engineer, clerk, mere laborer, boatbuilder, cabinetmaker, carriage maker, chair polisher, coal heaver, cook, miner, stone cutter, surgeon, tailor, and shipfitter, engineer, polisher, moulder, turner, or other definite occupation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money which they have.

A farmer is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make such distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Column 8. *Able to read and write.* Column 8 is subdivided and the entries therein should be either Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9. *Nationality.* Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10. *Race or people.* The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or any of the islands of the West Indies, Central or South America, Europe, or Africa. Mixed races, which appear to have African blood in their veins, should be classified under this heading.

ITALIAN (NORTH).

The people who are native or inhabitants of the Provinces of Italy or of the Departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the Compartments, which, residing in Italy, are of Alpine, Venetian, Piedmontese, or Apennine origin, may be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native or to that portion of Italy southof the basin of the River Po, that is, the compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 20 (Last residence). The entry in column 20 should show the *country and city or town* of last permanent residence, instead of the post-office, city, or town.

Column 21 (Final destination). The entry in column 21 should show definitely the place (city or town) of final destination.

Column 22 (Whether having a ticket to such final destination).—The entry in column 22 should be either Yes (ticket) or No (no ticket).

Column 23 (Whether own passage paid).—The entry in column 23 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 24 (Whether in possession of $50, and if less, how much).—The entry in column 24 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 25 (Whether ever before in the United States, and if so, when and where).—The entries in column 25 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 26 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 26 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 1 to 32. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 6300, 6301 A, and 6300 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W'd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, vessel furnisher, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the people (not Negroes).

[illegible]

"What by Race" refers to the race or people [illegible]

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native, immigrant, or citizen of the islands of the West Indies, North or South America, Europe, or Asia. A person whose appearance indicates an admixture of negro blood should be classified as belonging to the negro race.

ITALIAN—NORTH.

The people who are native to the northern [illegible] compartments: Piedmont, Lombardy, Venetia, and Liguria, and the people residing in Italy, Switzerland, Austria-Hungary, or any other country, who are classed as "Italian (north)." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the [illegible] compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those who emigrate from these districts, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, state, or canton.

Column 11 (Final destination).—The entry in column 11 should show ultimate destination, place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes, Ticket, or No, No Ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 14 (Have in possession of $50, and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894–97, Philadelphia.

Column 16 (Going to join relatives or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required in the manifests (Forms 500, 500A, and 1500) is now numbered 500 to 500A, and the [illegible] of each alien arriving in the United States, including those in transit and inovate, should be made in accordance with the following classifications. The number of the column or [illegible] given, in these special instructions, and as followed, in parentheses [illegible] to and including column 19, by ordinary type the instruction, [illegible] the [illegible] information.

Column 4 (Age).—The entry in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or Div.

Column 7 (Occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Clerk, farmer, shoemaker, tailor, seamstress, servant, laborer, [illegible], engineer, [illegible], stone-cutter, printer, [illegible], weaver, [illegible], and not simply as laborer, [illegible], tailor, or other indefinite designation.

A distinction should be drawn between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should, in many instances, be necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 requires, not only the entries therein should be either Yes or No (or read and write), Yes-No (can read but not write), or Yes-No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (If holding ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as *self*, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Money in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not [Yes or No] in the United States before, and if so, the year (or period of years) and place: as, 1904-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest (as shown in these special instructions and is followed, in parentheses, by a reference to the corresponding column in the new printed manifest) is given in each case.

Column 5 (Age).—The actual age in column 5 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 6 (Sex).—The sex in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of the alien at his last arrival, as for example: Clerk, baker, seamstress, dressmaker, locomotive engineer, cotton-planter, servant, laborer, tailor, weaver, stenographer, merchant, and not simply as gentleman, lady, printer, miner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Presumably entries should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read) and (Able to write).—Column 9 is subdivided and the entries therein should be either Yes (or can read and write) or No. No can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom sent passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest Forms 1500, 1500 A, and 1500 B (new numbers 500, 500-A, and 500-B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the columns on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a less explicit title indicating briefly the subject to which it relates.

Column 3 (Age). — The entries of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of such alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. Any alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates the admixture of negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much. — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friend; and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B, so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in alliances up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race should properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid.) — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much. — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years), and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 42. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILLING ALIEN "MANIFESTS"

The information returned on the manifest forms 500, 500A, and 500 B, so far as it relates to alien arrivals including those in transit and transfer, should be made in accordance with the following explanations. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title relating briefly the subject to which it refers.

Column 3 (Age). The years of age in column 3 should be expressed in years or months, the latter applying only to those under one year old.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, sheet painter, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinctions in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens *en route*.

Columns 7 (Able to read and write). Column 7 is subdivided and two entries therein should be either Yes or No, as follows: Yes, Yes can read and write. No, No can neither read nor write. Or Yes, No can read but not write.

Column 8 (Nationality). Column 8 should be used to name the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

All [illegible] refers to the African Negro, whether coming from Cuba or other section of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance [illegible] negro blood, etc., must be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti or Piedmont, Lombardy, Venetia, and Tuscia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenta of Liguria, Tuscana, Maritima, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian, south.

Column 10 (Last residence). The entry in column 10 should show the *country, and city, or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). The entry in column 11 should show definitely the name city or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). The entry in column 14 should give in each case individual or family, the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Name, to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B, so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following specifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes. Yes can read and write, No. No can neither read nor write, or Yes. No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entries in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and inquiries should be carefully pursued by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French in race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien alive is Irish, Germanic or Hebraic by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands in the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzes, Molise, Campania, Venilia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residency, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes. ticket or No. no ticket.

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). — The entry in column 14 should give in each case individual or family, the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (forms 4560, 4560 A, or 4560 B, now numbers 500, 500 A, and 500 B, so far as it relates to aliens arriving including those in transit and tourists), should be made in accordance with the following detailed directions. The number of the column on the manifest so given in these special instructions and as followed, in parentheses in all cases up to and including column 16, by a description of the information briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Chief engineer, stationary engineer, locomotive engineer, mining engineer, horse polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes. You can scan and write. No. You can neither read nor write. or Yes. No. can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard, for instance, "France" appearing on a manifest does not necessarily mean "French" as race or people, and similarly, "French appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien whose appearance or status, in all reverence of negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po in northern Italy (or comprising the Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether coming in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Iaguna, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country*, and *city or town* of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the name city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes. ticket or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative friend, steamship company, etc.

Column 14 (Whether in possession of $ 50 and if less how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not "Yes or No" in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (forms 500, 500-A, and 500-B, new numbers 500, 500-A, and 500-B) as far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following specifications. The number of the column on the manifest to which these special instructions and is followed in parentheses in all cases up to and including column 16, is a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M male or F female.

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, horse polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction, on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes. Yes can read and write, No. No can neither read nor write, or Yes. No. Can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien, who, in Irish, Germans or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Mulattoes whose appearance indicates, in many cases, a large admixture of negro blood should be classified under the heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., comprising provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes. ticket or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not Yes or No. in the United States before, and if so, the year or period of years, and place as, 1904-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest Forms 1360, 1360 A, and 1360 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a boldface title indicating briefly the subject to which it relates.

Column 3 (Age). — The entries in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write. No—No can neither read nor write, or Yes—No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising those of Piedmont, Lombardy, Venetia, and Tuscany, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (forms 6001, 6001 A, and 6001 B, new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age.) — The return of age in column 3 should be expressed in years or months, the latter applying only to those under one of age.

Column 4 (Sex.) — The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single.) — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation.) — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, horse engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write.) — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality.) — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people.) — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French, by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other countries of the West Indies, South or South American Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venezia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence.) — The entry in column 10 should show the *country*, and *city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination.) — The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination.) — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid.) — The entry in column 13 should show concisely by whom passage was paid: as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much.) — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where). — The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16. Going to join relative or friend, and if so, what relative or friend. — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B, new numbers 500, 500-A, and 500-B, so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions and is followed in parentheses in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

"Steamship companies should make this distinction, as the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write, No—No can neither read nor write, or Yes—No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance and admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy; i. e., comprehends of Piedmont, Lombardy, Venetia, and Emilia and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po; i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town*, of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes, ticket, or No, no ticket.

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B, now numbers 500, 500-A, and 500-B, so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single. — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation. — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made by inspectors, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venezia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11. (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14. (Whether in possession of $ 50, and if less, how much. — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend. — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest forms (Form 101-A and Form B, now numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following explanations. The number of the column on the manifest is given in these special instructions, and is followed in parentheses by all cases of mental defective, idiocy, etc., a description of the following words, the subject to which they relate.

Column 3 (Age). — The entry in column 3 should be expressed in years or months the latter applying only to those under one year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, machinist, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, in connection with the examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien inspected.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK).

"Negro (black)" refers to the African Negro, whether coming from Cuba or other islands in the West Indies, Mexico, South or Central America, Europe, or Africa. Any alien whose appearance or admission shows one or more drops of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought in by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year (a period of years and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and transfer), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 26, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner etc; and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write, or Yes—No, can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid: as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less, how much). — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1886-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 23. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest forms 1500, 1500 A, and 1500 B (new numbers 500, 500-A, and 500-B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given at those special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood carver, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write, No (No can neither read nor write, or Yes (No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands in the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., some provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city, or town, of final destination.

Column 16 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B; new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). — The return of age in columns 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write, No—No can neither read nor write, or Yes—No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether coming from Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian south."

Column 10 (Last residence). — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). — The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination). — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). — The entry in column 13 should show definitely by whom passage was paid—as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). — The entries in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifests (Forms 6500, 6500-A, and 6500-B, numbers 5000, 5000-A, and 5000-B, according as it is the first or second or subsequent arrivals) regarding those entering and transit should be made in accordance with the following specifications:

The number of the column to be filled in is given in these special instructions and is followed in parentheses by all those up to and including column 16, to be filled either in the manner specified or with a ditto.

Column 3 (Age.) — The entry in column 3 should be expressed in years or months, the latter appearing prior to three years of age.

Column 4 (Sex.) — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.) — The entry in column 5 should be either M (married) or S (single). Widowed or divorced.

Column 6 (Calling or occupation.) — The entry in column 6 should describe as concisely as possible the occupation, if any, or profession, of each alien 14 years of age or over, as for example, Clerk (in store), stationary engineer, farmer, mason, engineer (civil), engineer (mining), blacksmith, steel worker, cabinetmaker, wood worker, machinist, carpenter, engineer (stationary), painter, laborer, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the one who operates it.

Steamship companies should make due allowance in the manifests and see that entries should be made, if necessary, by inspectors and others during the personal examination of aliens arriving.

Column 7 (Able to read and write.) — Column 7 is to be filled and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality.) — Column 8 should be used to denote the country of which immigrant is a native or subject and not country of last permanent residence.

Column 9 (Race or people.) — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to distinction between race and nationality, and manifests should be carefully revised by inspectors and regular clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew in race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not "negroes."

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central, or South America, Europe, or Africa. Any alien whose appearance or color is unmistakably of negro blood should be described under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po — the departments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, and part of Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as Italian (north).

Column 10 (Last residence.) — The entry in column 10 should show the *country, and city, town, or village* where each resident last had his home, instead of the province, city, or town.

Column 11 (Final destination.) — The entry in column 11 should show definitely the name, city or town of final destination.

Column 12 (Whether having a ticket to such final destination.) — The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid.) — The entry in column 13 should show definitely by whom passage was paid, as: self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much.) — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought in the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where.) — The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the city or place of years and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend.) — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 3. Married or single. The entry in column 3 should be either M [illegible] marriage, Wd [illegible], or D [illegible].

Column 6. Calling or occupation. The entry in column 6 should be as accurately as possible "no occupation" [illegible] under 16 years of age should be entered as [illegible] example: Civil engineer, stationary engineer, mason, bricklayer, carpenter, [illegible] brass polisher, steel polisher, [illegible] worker, farmer, laborer, or [illegible] [illegible] worker, waiter, or other [illegible] designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for [illegible] else operates it.

Thus, for instance, "France" appearing on a manifest does not necessarily mean French in race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish [illegible] or Hebrew by race might properly come under the [illegible] of United Kingdom or any other country by nationality. In this connection, the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

Column 10. Last residence. The entry in column 10 should show the *country*, and *place* from [illegible] of emigration, instead of the province only, as town [illegible]

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required in columns 1 to 19, inclusive, of the manifests [illegible] and should be carefully noted in order to avoid the delays incident to [illegible]. The number of the entries on the manifest sheets must be consecutive, and the [illegible] is followed, in parentheses, by the name of the [illegible] in the description of the [illegible] "wife," the surname is usually omitted.

Column 3, Age. The age of aliens under one year should be stated in months, the letter [illegible] months.

Column 4, Sex. The entry in column 4 should be either M (male) or F (female).

Column 5, Married or single. The entry in column 5 should be either M (married) or S (single). Widowed or divorced persons should be returned as married.

Column 6, Calling or occupation. The object in requiring a correct description of occupation is to ascertain, as nearly as possible, the number of persons of each class coming to the United States seeking employment. Persons having no occupation, such as women and children, should be returned as "none." Laborers, factory employees, and persons following any mechanical pursuit should be described by the particular [illegible] as, for example, "engineer, stationary," "engineer, locomotive," "machinist," "blacksmith," "carpenter," "tailor," "tailoress," "seamstress," "dressmaker," "milliner," "servant," "cook," "waiter," "clerk," "porter," "physician," "surgeon," "lawyer," "teacher," "clergyman," "author," "actress," "musician," "sculptor," "painter," "farmer," "farm laborer," "merchant," "manufacturer," "banker," "broker," "gentleman," "lady," etc. Such terms as "laborer," "mechanic," "engineer," "clerk," "manufacturer," "agent," "dealer," "merchant," "trader," "peddler," "gentleman," "lady," etc., are indefinite, and should not be used.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm, but does not operate it.

Steamship companies should make this distinction in the manifests, and inspections should be made, if necessary, by inspectors, and special inquiry during the personal examination of alien arrivals.

Column 7, Able to read and write. Columns 7 to 9, inclusive, call for information as to whether aliens can read and write. The entry in column 7 should be either Yes—Yes, can read and write, or No—No, can neither read nor write.

Column 8, Nationality. Column 8 should be employed to denote the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9, Race or people. The entry in column 9 should show the race or people as given in list on reverse side of form mentioned.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and returned where an improper entry, for instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. In cases where an Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following definitions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and recognizes

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

MEXICAN.

Mexican refers to the Mexican Nation, whether coming from Cities or other towns in the West Indies, Spain, Central or South America, or elsewhere, and whose nationality is Mexican or whose race or people is Mexican, are classified under this heading.

ITALIAN (NORTH).

The people who are native to the provinces of the Kingdom of Italy in northern Italy, i. e., comprising Piedmont (especially Venetia), and Lombardy and their descendants, whether naturalized or born in the United States, no matter where, should be classed as "Italian (North)." None of these people speak the dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po, i. e., provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (South)" as well.

Column 10, Last residence. The entry in column 10 should show the *country, and city, or town* of last permanent residence, instead of the previous city or town.

Column 11, Final destination. The entry in column 11 should show definitely the place city or town of final destination.

Column 12, Whether having a ticket to such final destination. The entry in column 12 should be either Yes, Ticket, or No (no ticket).

Column 13, By whom was passage paid. The entries in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14, Whether in possession of $50 and if less, how much. The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money belonging to the head of a family should not be divided among the several members of the family.

Column 15, Whether ever before in the United States, and if so, when and where. The entries in column 15 should show whether or not Yes or No, in the United States before, and if so the year or period of years and place or, 1894-97, Philadelphia.

Column 16, Going to join relatives or friend, and if so, what relative or friend. The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (forms 1500, 1501), and lists, (new numbers 500, 500 A, and 500 B), so far as it relates to aliens arriving at the United States in transit and domicile, should be made in every case with the following considerations:

The number of the column on the manifest or sheet in which each item specified is to be entered is followed in parentheses in all cases up to and including column 16 by a descriptive title pertaining briefly to the subject to be entered, as:

Column 3 (Age). The entries of age for children 1 year old or under 2 years old should be expressed in years or months, the latter applying only to those under one year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entries in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, stating his general class, as for example: Coal, engineer, seamstress, carpenter, mechanic, merchant, laborer, farmer, lawyer, painter, miner, tailor, servant, etc. Such terms as "gentleman," "lady," "student," "child," "boy," "girl," "infant," "invalid," "none," or "at home" are not sufficiently descriptive, and should not be used.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the most part as operative.

Steamship companies should make this distinction on the manifests, and immigrants should be made, if necessary, by inspectors and special agents during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7, a compound and the entries therein should be either Yes—Yes, can read and can write; Yes—No, can read but not write; or Yes—No, can read but not write.

Column 8 (Nationality). Column 8 should be restricted to show the country of which immigrant or a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entries in column 9 should show the race or people as given on line on reverse side of alien examined.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and regular agents as to this regard. For instance, France appearing on a manifest does not necessarily mean France, by race or people, and similarly, French appearing on a manifest does not necessarily mean "France" by nationality. An alien already Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish speech.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other country in the West Indies, South or South America, Europe or Africa, but excludes mulattoes, quadroons, octoroons, or negro blood, and the Egyptian under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia and their descendants whether residing at home or abroad, should be classed as Italian (North). Those of these people who speak a Gallic dialect or the Ladin language should be classed as French.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., comprising the provinces of Leghorn, Tuscany, Marches, Umbria, Latium (Abruzzi, Molise, Campagna, Province Basilicata, Calabria, Apulia, Sicily, and Sardinia) and their descendants should be classed as Italian (South).

Column 10 (Last residence). The entry in column 10 should show the *country, and city or town, of last permanent residence*, instead of the province city or town.

Column 11 (Final destination). The entry in column 11 should show definitely the *city, state or county of final destination.*

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50, and if less how much). The entry in column 14 should give, in each case (individual or family), the exact amount of money shown.

Money brought in the head of a family should not be divided among the several members of the family.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest Forms Nos. 500, 500 A, and 500 B, in respect to passengers arriving from foreign ports at ports in the United States, with the following exceptions, will be found in the instructions printed on the manifest blanks.

The number of the column on the manifest to which each of these special instructions relates will be followed, in parentheses, by the name of the column in which the information is to be entered, and a brief statement of the character of the information required.

Column 3 (Age). The return of age is ordinarily required to be made in full years, the fraction of a year being disregarded. Infants under one year old will be returned as of 0 years of age.

Column 4 (Sex). The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single). The entry in column 5 should be either M, married, S, single, W, widowed, or D, divorced.

Column 6 (Calling or occupation). The entry in column 6 should be as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, Shipbuilder, Mining engineer, Mechanical engineer, Accountant, Architect, Bricklayer, Brick maker, Cabinetmaker, Carpenter, Compositor, Decorator, Designer, Draftsman, Electrician, Engraver, Farmer, Fireman, Fisherman, Gardener, Glass blower, Glass cutter, Glass polisher, Glass presser, Goldsmith, Harness maker, Horseshoer, Housekeeper, Iron worker, Jeweler, Laborer (specify what kind of), Lace maker, Locksmith, Machinist, Manufacturer, Mason, Mechanic, Merchant, Metal polisher, Miller, Miner, Moulder, Painter, Paper hanger, Pattern maker, Plasterer, Plumber, Potter, Saddler, Sailor, Sawyer, Shoemaker, Stone cutter, Surveyor, Tailor, Tanner, Teacher, Tinsmith, Turner, Weaver, Wheelwright, Wood carver, or other definite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction, as the conditions and restrictions should be made, if necessary, by inspectors and agents during the personal examination of aliens, as such.

Columns 7 (Able to read and write). Columns 7 are to be ruled and the entries therein should be either Yes—Yes, can read and write; No—No, can neither read nor write, or Yes—No, can read but not write.

Column 8 (Nationality). Column 8 should be employed to name the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of this circular.

Special attention should be paid to the distinction between race and mere color, and manifests should be carefully revised by inspectors and reports called in this regard. For instance, "Negro" appearing opposite a colored face may not necessarily mean "French by race or people, and similarly, "French" appearing upon a manifest does not necessarily mean "Negro by nationality." An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection, the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. Any alien showing a distinct admixture of negro blood will be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po and the mountain fringe thereof, comprising the Provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italians (north). Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, to wit, the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italians (south).

Column 10 (Last residence). The entry in column 10 should show the *country*, and *city, or town*, of last permanent residence, instead of the passing city or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place only, as name of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom such passage paid). The entry in column 13 should show whether by himself, herself, or themselves, by the person himself, herself, or themselves, by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $ 50. And if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought to the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not Yes or No, in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the columns 1 (see Form 2500 A, page 1) to 34, inclusive, numbered 500, 500 A, and 500 B, is to be given in the order indicated, those in regard to which no answer is required being marked with the letter "none" or a dash (—). The number of the column on the manifest is given in three-point figures immediately following the title indicating what the subject of the column is.

Column 1. Number. The entry in column 1 should be the number of the alien on the list, beginning with 1 and numbering the latter anything each in turn.

Column 2. Name. The entry in column 2 should be either Mr. Mrs. or Miss.

Column 3. Age. The entry in column 3 should be the age of each alien as nearly as possible. The exception to this rule is in the case of infants under one year of age, the entry in this column should be the number of months the child has been alive, as "6 months," "11 months," etc.

Column 4. Sex. The entry in column 4 should be either M. male, or F. female.

Column 5. Married or single. The entry in column 5 should be either M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 6. Calling or occupation. The entry in column 6 should describe as accurately as possible the occupation (trade, profession, or other means of support) of each alien, for example: Clerk, merchant, shoemaker, tailor, carpenter, engineer, farmer, servant, cook, waiter, boss painter, steel polisher, iron molder, wood turner, etc. Do not simply write "laborer," "engineer," polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Special attention should be paid to the distinction between the laborer and the mechanic, and correct examination of aliens arrivals should be made, if necessary, by inspectors and experts, making the personal examination of aliens arrivals.

Column 7. Able to read and write. Column 7 is self-explained and its entries therein should be either Yes—Yes can read and write A—No can neither read nor write, or Yes—No can read but not write.

Column 8. Nationality. Column 8 should be construed to mean the country of which immigrant is a citizen or subject and the country of last permanent residence.

Column 9. Race or people. The entry in column 9 should show the race or people as given in list on reverse side of slip pamphlet.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and reports returned to him rejected. For instance, "France" appearing on a manifest does not necessarily mean French as to race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be observed:

CUBAN

The term "Cuban" refers to the Cuban people and "negroes."

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

MEXICAN

Mexican refers to the Mexican people.

"Negro" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, or from South American, Europe or Africa. No aliens whose ancestors are known to have been of negro blood should be classed "negroes" thus heading.

ITALIAN (NORTH)

The people who are native to the valley of the River Po in northern Italy, comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants wherever domiciled, in the United States, Canada, or the other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, the provinces of Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants wherever domiciled in the United States, Canada, or the other countries, should be classed as "Italian (south)."

Column 10. Last residence. The entry in column 10 should show the country, and *city or town* of last permanent residence, instead of the province, city, or town.

Column 11. Final destination. The entry in column 11 should show definitely the same town or place of final destination.

Column 12. Whether having a ticket to such final destination. The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13. By whom was passage paid. The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14. Whether in possession of $50, and if less, how much. The entry in column 14 should give in each case individual or family, the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15. Whether ever before in the United States, and if so, when and where. The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 16. Going to, near relative or friend, and if so, what relative or friend. The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
